

Weekly Program

Last week was a business meeting.

A board meeting was held on Tuesday, November 1.

- A committee is forming to nominate next year's officers. The committee will be Pete Zarras, Rocco Siino, and a third member. After the nominees accept, the new officers will be announced at three regular weekly meetings. The new officers' names need to be submitted to the district by the end of the year.
- The Madison Rotary Club, with the support of the district, will be holding their annual End Hunger 3.6 food packaging event on March 18. The Kickoff meeting is scheduled on November 3 at the Madison Area YMCA.
- We are looking for ideas to help the earthquake victims in Italy. We may donate money to ShleterBox USA.
- Casino Night tickets are printed. Posters will be printed soon. Members will need to gather donated prizes from local businesses or donate money to purchase prizes.
- At the last Casino Night, there was an issue with coats at the American Legion. We will look into purchasing rolling closets for the Legion.
- Our holiday party will be at Rocco Siino's house on December 9.
- Our Jeopardy meeting will be on December 22.
- While the Marriott is under renovation, we will meet at the Brookside Diner starting December 15. Members will choose an item from the menu for \$10 or less.

- Once the renovations at the Marriott are completed, the club will meet on a Monday or a Friday morning. The club will be asked which is better for them.
- The Trauma Kit project will be presented at the Hanover BoE and East Hanover BoE. Our club will be supplying the kits to all schools in Hanover and East Hanover.
- Our club plans to donate holiday gifts to the same organizations as last year.

The Rotary Foundation

At the 1917 convention, outgoing Rotary President Arch Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

1978: Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

1985: The PolioPlus program was launched to eradicate polio worldwide. Since the first donation of \$26.50 in 1917, the Foundation has received contributions totaling more than \$1 billion.

In 2016-17, the Foundation turns 100.
