

Weekly Program

Last week Club President **Fred Meola** told us what he learned at the District Conference.

Our District is merging with the District south of us in the 2018/2019 Rotary year. We will have a new District number. Our District has about 1200 members, which is the minimum for a District. The District south of us has about 800 members.

Next year's District conference will be a 5-day cruise leaving Bayonne on Royal Caribbean Anthem of the Seas to Bermuda from May 26 to May 31. They are having it Memorial Day weekend so you do not have to take too many days off from work.

We then discussed a request by the Hanover Marriott to consider moving our meeting day to Monday mornings (their slowest morning). President Elect, Pete Zarras, stated that he would not be able to attend meetings on Monday mornings more than 50% of the time. We could look at other places to meet, such as the Ukrainian Center. The Morris Plains Rotary Club meets there on Friday mornings. The clubs could split the cost of the kitchen staff if we met there on the same morning (perhaps in a different room). The price is about the same as the Marriott.

Rotary Foundation named World's Outstanding Foundation for 2016

The **Association of Fundraising Professionals** recognized The Rotary Foundation with its annual Award for Outstanding Foundation at its 2017 conference in San Francisco.

The award honors organizations that show philanthropic commitment and leadership through financial support, innovation, encouragement of others, and involvement in public affairs. Some of the boldest names in American giving — Kellogg, Komen, and MacArthur, among others —are past honorees.

Rotary Foundation Trustee Chair-elect Paul Netzel accepted the award on Rotary's behalf, and Eric Schmelling, Rotary's chief philanthropy officer, also attended the conference. The event drew more than 3,400 senior-level fundraising professionals from 33 countries.

"In our Centennial year, we are deeply honored to receive this recognition from the Association of Fundraising Professionals," said Netzel.

AFP's committee of judges cited Rotary's comprehensive campaign to eradicate polio as a major driver of the selection.

"With the generous support of our members and partners, we've taken on some of the toughest humanitarian challenges in the world, none more so than the devastating disease of polio," said Netzel. "We will defeat polio, and it will be a landmark achievement for global public health."

The committee also mentioned that Rotary applies a methodical, purposeful approach to support a wide variety of causes, from providing clean water to educating the next generation of peace professionals.

"This award helps to spread our belief that service to humankind truly changes our world, and for that reason, it is the greatest work of life," said Netzel.
